Date Produced: November 2018

Date approved: 28th November 2018

Links Academy Publication Scheme
information available under the Freedom of Information Act 2000

The governing body is responsible for maintenance of this scheme.

1. Introduction:

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all schools, should be clear and proactive about the information they will make public.

To do this we have produced a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published; and
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future.

Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the latest model scheme for schools approved by the Information Commissioner.

We endeavour to make as much information as possible available online. The classes, below, provide links to information which is available. If any of the information is not available online, the scheme will explain how it can be accessed. We will continue to develop this scheme to increase the amount of information that can be accessed through it. The school does not charge for information which is accessed on our website. However, we may pass on costs for reproducing information or providing it in alternative formats, and we do charge for some specialist information services. Details of these costs are listed in the Schedule of Charges.

2. How to request information

If you require a paper version of any of the documents within the scheme, please contact the school by telephone, email, fax or letter. Contact details are set out below:-

Contact Address: 1 Hixberry Lane, St Albans, Hertfordshire, AL4 0TZ

To help us process your request quickly, please clearly mark any correspondence

“PUBLICATION SCHEME REQUEST” (in CAPITALS please)

If the information you’re looking for isn’t available via the scheme, and isn’t on our website, you can still contact the school to ask if we have it.

3. Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise in section 4. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request.
